BZ Bank financial year 2020

Wilten, December 18, 2020 – In its thirty-sixth year of operation, BZ Bank recorded a net profit of CHF 10.4 million (previous year CHF 17.6 million) for the year ending November 30, 2020.

The main services of BZ Bank include advisory services for selected clients and the management of collective investment schemes for listed and non-listed equities. Because of the specialization of the banking activities, trading commissions and advisory fees are the main source of revenue of the Bank.

Commission and service fee revenues amounted to CHF 17.8 million (CHF 22.2 million) in the period under review. Net interest revenues had a negative effect because of the introduction of negative interest rates by the Swiss National Bank.

Administrative expenses totaled CHF 6.6 million (CHF 7.2 million).

Total assets, which are largely dependent on trading volumes, stood at CHF 330 million (CHF 252.2 million). Reported equity of BZ Bank amounted to CHF 40.7 million (CHF 47.8 million).

Securities in custody, which consist primarily of equity holdings, amounted to CHF 12.7 billion (CHF 15.1 billion).
